The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Municipal Complexes Repaving and Accessibility Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Town of Oxford, located at 486 Oxford Road, Oxford CT, 06478.

The funding would be used for improving pedestrian and vehicle circulation at the municipal complexes on Great Oak Road, which serve as critical community facilities supporting education, recycling operations, and emergency management. The project is an appropriate use of taxpayer funds because it will ensure that essential public facilities remain safe, accessible, and functional for all residents while extending the useful life of assets that the entire community depends on daily. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) .

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

JIM HIMES
Member of Congress
