The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Nathaniel Witherell Resident Rooms Ceiling Replacement in Fiscal Year 2027. The entity to receive funding for this project is the Town of Greenwich, Connecticut located at 101 Field Point Road, Greenwich, CT 06830.

The funding would be used for ceiling renovation in resident rooms at The Nathaniel Witherell, which would allow for further improvements to plumbing and electrical systems and the replacement of the nurse call button system in each resident room. The project is an appropriate use of taxpayer funds because it will rehabilitate infrastructure at The Nathaniel Witherell, a certified skilled nursing facility owned and operated by the Town of Greenwich. These upgrades are essential to maintaining safe, modern, and reliable care for senior residents and ensuring the facility continues to meet current healthcare and safety standards.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act. I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

  
JIM HIMES  
Member of Congress
