The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

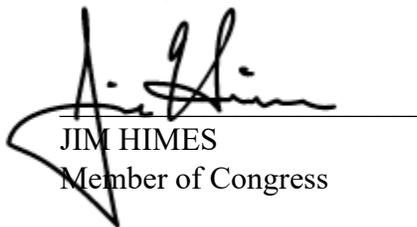

I am requesting funding for the Stamford Emergency Radio Communications Modernization project in Fiscal Year 2027. The entity to receive funding for this project is the City of Stamford, located at 888 Washington Boulevard, Stamford, CT 06901.

The funding would be used for the upgrade and modernization of the Stamford Police Department's public safety radio communications system. The project is an appropriate use of taxpayer funds because a modern, interoperable radio system will ensure public safety personnel can respond swiftly and coordinate effectively across a full range of incidents, protecting the hundreds of thousands of residents, commuters, and businesses that depend on the city daily.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Himes", written over a horizontal line. The signature is stylized and cursive.
