The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Stormwater Management Improvements in fiscal year 2025. The entity to receive funding for this project is the City of Stamford, located at 888 Washington Boulevard, Stamford, Connecticut 06901.

The funding would be used to build the City of Stamford's stormwater capacity with improved catch basins, larger pipe sizes, and better conveyance systems. The project is an appropriate use of taxpayer funds because the City struggles with storm sewer capacity shortfalls during heavy rain and storm events. This project will reduce flooding and the associated hazards in the city.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Himes", written over a horizontal line.
