The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

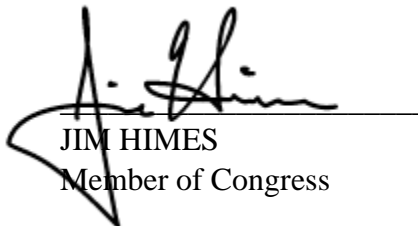

I am requesting funding for the Glenbrook Community Center project in fiscal year 2026. The entity to receive funding for this project is the City of Stamford, located at 888, Washington Boulevard, Stamford CT 06901.

The funding would be used to rehabilitate and restore the Glenbrook Community Center. The project is an appropriate use of taxpayer funds because the community center will provide a gathering place and central hub for social services for families in Stamford's East Side.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Himes", written over a horizontal line.
